

*Encouragers  
of Young Women  
Lesson 12*

---

*Young Women Encouraged*

Panel #2

*Older women likewise are to be reverent in their behavior,  
not malicious gossips nor enslaved to much wine,  
teaching what is good,  
so that they may encourage the young women  
to love their husbands, to love their children,  
to be sensible, pure, workers at home, kind,  
being subject to their own husbands,  
so that the word of God will not be dishonored.*
