# Whetstone CONFERENCE 2007

## Extended Pulpit Ministries

### *Taking the Word to the World*

**In what formats are sermons available?** Audio CDs, cassette tapes, downloads, DVDS, MP3s, podcasts, and Sunday school curriculum. **Why are so many formats available?** We simply have responded to people's interest and requests, and we have tried to get the sermons into their hands as inexpensively as possible.

**Audio CDs** Audio CDs of single sermons are available or can be ordered. Normal cost \$2.50 each (no shipping).

**Cassette Tapes** Cassettes of sermons are available or can be ordered. Normal cost is \$2.00 each, plus shipping.

**Downloads** ([www.mountcalvarybaptist.org](http://www.mountcalvarybaptist.org)) The website provides access to most sermons preached from our pulpit within moments after having been preached. The sermons are available at a minimal charge or through a monthly subscription and are generally available for up to two months from the date they are preached (includes Whetstone Conference sessions).

**DVDs** DVDs of single sermons are available after services. They cost \$5.00 each (no shipping).

**MP3s** MP3s have some unique advantages, though they are not for everyone. More sermons are able to be stored in a smaller space (as many as 12-15 sermons on a single MP3), and the sound quality remains high indefinitely. They can be played over a computer or an MP3 player, but cannot be played over a regular CD player. Any available MP3 of sermons costs only \$5.00. In addition to MP3s of monthly sermons, we have transferred many of Pastor Minnick's older series into MP3 format (a full listing is available in the bookstore).

**Podcasts** Podcasting is available for sermons posted on our website (usually MP3s). Any digital audio player or computer with audio-playing software can play. Each time a new sermon is available, your "podcatching" software will automatically download it.

**Sunday School Curriculum** Some of the written adult Sunday school lessons we have produced for use in the ministry here are available in CD format. See the bookstore for more information or visit Church Resources on our website.
