

HELPFUL TIPS

For **Distanced Seating** March 21 through April 28

*For those who for health reasons plan to continue **distanced seating** and attend on a rotating basis:*

1. The attendance schedule rotates between last names **A - Me** and **Mi - Z**. A file on the coronavirus page details the schedule. Please note that March 21 and 28 have some slight changes in Sunday School attendance.
2. Please arrive early.
3. The ushers will seat individuals in the designated areas. Please see an usher at the auditorium doors when you arrive.
4. For the services that you will not attend, the livestreaming continues to be available.
5. If you choose to sit with someone in the church family outside your family unit, please avoid adding them to the limited distanced seating. Please choose open seating or overflow rooms.
6. April 11 begins A-Z Sunday School attendance. Our limited SS space does not allow us to offer distanced seating in SS.
