

April 17, 2020

Good morning, Everybody.

What a beautiful, **beautiful** day. I went walking about 6:45 this morning. It was so chilly that I had to wear both a vest and a coat. Walking and reviewing catechism cards 1-17 warmed both body and soul (smile). Amazingly, I was no sooner home but a man across the street to whom I'd given an invitation to the Easter program showed up in the driveway to talk. And of all things, he wanted to ask about Divine attributes. Out of my jacket pocket came Catechism Card 11, *God is a spirit, infinite, eternal, and . . .*

I'm going to write just this brief note today, because the really special treat is that Pastor Tipton has made a brief video for us. You'll be glad to hear his health update, and then the spiritual lessons he's learned during these years in the crucible of cancer. And . . . you'll meet Ellie! Your kids won't want to miss that part for sure (smile). Here is the link to the video: https://youtu.be/7Xm3v3tq_Lw

Think about what Pastor Tipton shares, and may the Lord bless and keep you in His love all through the day.

Praying for You Today,

Pastor Minnick
